SUMMARY

Data analyst with a Master of Data Science from RMIT (High Distinction in Machine Learning and the Data Science Project). At SRP Global Consultancy I was the technical lead of a live work order app, built Power BI reports for the Director, and set up workflow automations. I like finding the pattern behind the numbers and explaining it in a way people can use.

SKILLS

- **Data and BI:** SQL, Python (pandas), Power BI (DAX, Power Query, star schema, row-level security), Excel (XLOOKUP, pivot tables, Power Query), Tableau, R
- **Build and automate:** JavaScript (React, Node.js), PHP, Flask, PostgreSQL, REST APIs, Power Automate, Power Apps, SharePoint, Git
- **AI:** LLM APIs, AI chatbots and AI written summaries, AI agents with MCP tools
- **Ways of working:** requirements, user stories, process maps (Lucidchart, Visio), UAT, technical documentation, Jira

EXPERIENCE

ICT Business Analyst Jul 2026 to Sep 2026
SRP Global Consultancy, Melbourne (Data Analyst Intern from Apr 2026)

- Technical lead for SRP Deck, a live work order app (React, Node.js, PostgreSQL), with teammates on requirements, testing and data.
- Built the invoice system (PDF and Word invoices with GST), an AI chat assistant on an LLM API, and login security (MFA, role-based access).
- Set up and ran the hosting and release pipeline, and wrote the backup and incident plans.
- Built Power BI dashboards and weekly reports for the Director, and a time ledger app with Power Apps, SharePoint and Power Automate.
- Led a team of 3 on an 11 day asset audit in Sydney and sent a daily report to management.

Data Analyst Intern Jul 2025 to Nov 2025
Woofya (RMIT Work Integrated Learning), Melbourne

- Wrote PHP code and Python and SQL pipelines that pulled data from a live API into a dashboard. Added an AI chatbot and AI written summaries. Shown at VET Expo 2025.

Web Development Intern Jul 2022 to Aug 2022
Thoughtsstream Innovation, Bengaluru

- Built front-end pages with HTML, CSS and Bootstrap, and helped with testing.

Shift Manager and Customer Service 2024 to 2026
Domino's and Woolworths, Melbourne

- Shift Manager at Domino's: weekly stock orders, stock counts, cash-up and training new staff. Customer service at Woolworths.

PROJECTS

- **RBA Cash Rate Dashboard** (Power BI, DAX): Australia's cash rate since 1990 with KPI cards and a trend line. github.com/Hemanth-Gowda23/RBA-Cash-Rate-Dashboard
- **Hours Back**: my LinkedIn newsletter about saving time with AI tools and MCP, with hand-built interactive data stories on my portfolio.

EDUCATION

Master of Data Science 2024 to 2025
RMIT University, Melbourne. High Distinction in Machine Learning and in the Data Science Project.

Bachelor of Engineering, Information Science 2019 to 2023
Atria Institute of Technology (VTU), Bengaluru. First Class.

CERTIFICATIONS AND RECOGNITION

- Deloitte Australia Data Analytics Job Simulation (Forage), 2025; McKinsey Forward Program, 2025
- IEEE publication: Smart Sprouts, fuzzy logic IoT irrigation system (co-author), 2023. Recognised by KSCST.
